Dear Valued Stakeholders,

I would like to express my gratitude to every shareholder who has been with us in our journey together. Your Company has successfully completed One year of listing on the SME Platform of National Stock Exchange of India Limited (NSE Emerge). It gives me immense pleasure and pride to share with you the performance of your Company.

In the Financial Year 2022-23, your Company Timescan Logistics (India) Limited has demonstrated a strong and resilient performance against all the backdrop. India comes out as a bright spot in the global economy for growing Companies.

The logistics sector in India plays a crucial role in terms of support to the national economy. Strong growth in the sector is supported by government reforms, transportation sector development plans, growing retail sales and ecommerce. With implementation of Goods and Services Tax (GST), India has now become one big single market which was otherwise divided by different state level regulations. This has helped companies reduce logistics cost through redesigning of supply chain, increase scale of operations, achieve greater economies of scale.

Indian Government had launched the National Logistics Policy with the objective of creating a national logistics e-marketplace for exporters and importers, thereby reducing the cost of logistics and increasing employment opportunities in the sector. A Multimodal Logistics Park Policy is also being launched to promote movement of goods for domestic as well as global trade.

Logistics has now become an integral part of the value chain operations. With innovations and better offerings, the sector's growth can be further augmented by initiatives from the government such as rationalization of taxes for warehousing, push for digitization

and focus on creating a skilled workforce for logistics and supply chain. Furthermore, the reduction in corporate taxes will also support businesses during the overall economic slowdown.

The future is more challenging than ever before. Your Company has put in place measures to mitigate the challenging situation by ensuring business continuity, resource optimization, improving cost efficiencies, enhancing service quality and investing in technology enabled solutions to drive business growth and provide a seamless experience for all stakeholders (customers and employees).

In pursuit of becoming future-ready, we are building an agile and nimble organization that can withstand economic headwinds and maintain sustainable profitability on the basis of a strong foundation. Accordingly, your company undertook a right-sizing exercise to provide long-term value creation for stakeholders. Your Company added a new branch office in Kolkata in order to meet up its growing business needs.

Going forward, our entire team at Timescan Logistics is excited about the plethora of opportunities that have opened up this year. Your company's investments and strategies are well aligned with the Government's push for infrastructure and logistics growth. I assure you that your Company's management and entire workforce is steadfastly committed to the service of its clients and more so to the service of this beautiful Nation to ensure achievement of the company's goals.

We would like to thank our clients for entrusting us with their supply chain and Logistics requirements. We will continue to do everything we can to meet up their demands and alleviate interruptions to their businesses.

Massive and joint efforts are still needed to work through uncertainties triggered by the pandemic. We stay committed to contributing to a fast, just and sustainable recovery.

Our team is doing work in full spirit, our branches are operational and our business is also moving towards betterment. Timescan Logistics is moving steadily speed despite the economic conditions. We are hopeful for better performance in the future. In these

tough times we have also considered the benefit and well-being of our employees, partners, associates and worldwide business partners.

As I conclude, I want to express my gratitude to all our personnel, who have demonstrated unwavering focus and diligent work to ensure impeccable services to all our clients.

Yours Sincerely

Sundarraaj Arunkumar

[Notice](#)

Dear Shareholders,

In a challenging macroeconomic environment, marked by geopolitical uncertainties, high commodity inflation and tepid market growth, we delivered yet another year of good results. We kept our focus on meeting the evolving needs of our consumers and at the same time, protecting our business model. It is my pleasure to present you the Annual Report of your Company for the year ended 31st March, 2023.

The performance of the sector during the year under review was affected by the performance of the global economy. Even as the global economic growth, the underlying current was

one of guarded optimism extending to apprehension. This uncertainty was on account of a number of realities that transpired during the year under review: a decline in the availability of shipping containers, an unprecedented increase in freight costs, a decline in the availability of semiconductor chips and the outbreak of the Russia-Ukraine war that dampened global trade.

Over the years, the reputation that Timescan Logistics has been built because of its people. It's been a company that has valued its workforce. We are confident of achieving significant volume growth in the near medium term with such network expansion. We have directed that regional level marketing be aggressively done in the new branches to garner freight volumes.

We are privileged to share a strong relationship with investors based on a deep understanding of their expectations and our commitment to creating value for them. We maintain transparency in our disclosures and frequent communication with investors through channels such as Annual General Meeting, and Website Disclosures and Stock Exchange Disclosure.

Our principles and morals have served as a guiding light for our actions as a business, and they serve as the foundation of our position in future growth. We are constantly developing our teams and reforming the company in order to create future capacities. We commit to long-term, successful business growth.

As with our people, we believe that engagement with social and environmental issues must be deep, meaningful, and a long-term commitment.

Moving forward, what would be our key focus areas? Undoubtedly, it would be to build upon the brand that is 'Timescan Logistics' as well as create an organization whose culture will encourage and enable free expression of ideas and free expression of thoughts. This is not to say that there will be less focus on the measurable returns on capital deployed. After all, the profits that we generate are equally important for they enable us to reward our shareholders.

I express my deep gratitude to our clients, partners, employees, and other stakeholders who have placed their trust and confidence in us. I am very excited and committed to the transformation journey we are driving and confident that we will come out stronger as we scale new heights.

Your Board strongly advocates the fact that the growth of a company is backed by its Shareholders and keeping the same in cognizance, your Board is jubilant to recommend a final dividend @5%, being Re. 0.50/- per equity share of Rs. 10/- each, for the financial year ended March 31, 2023.

I along with the entire team at Timescan Logistics, wish for safety and well-being of all our stakeholders. I look forward in sharing more milestones in the upcoming years and remain grateful to the continuous support of our stakeholders.

Yours Sincerely,

Moulana TaufEEK Islam

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ANNEXURE – C

Management Discussion and Analysis Report

Shipping Industry & Ports in India

(Source: IBEF)

According to the Ministry of Shipping, around 95% of India's trading by volume and 70% by value is done through maritime transport. In November 2020, the Prime Minister, Mr. Narendra Modi renamed the Ministry of Shipping as the Ministry of Ports, Shipping and Waterways.

India has 12 major and 205 notified minor and intermediate ports. Under the National Perspective Plan for Sagarmala, six new mega ports will be developed in the country. The Indian ports and shipping industry play a vital role in sustaining growth in the country's trade and commerce. India is the sixteenth-largest maritime country in the world with a coastline of about 7,517 kms. The Indian Government plays an important role in supporting the ports sector. It has allowed Foreign Direct Investment (FDI) of up to 100% under the automatic route for port and harbour construction and maintenance projects. It has also facilitated a 10-year tax holiday to enterprises that develop, maintain and operate ports, inland waterways and inland ports.

Market Size

India's key ports had a capacity of 646.10 million tonnes per annum (MTPA) during April-January, 2023. From April-October 2022, all key ports in India handled 446.50 million tonnes (MT) of cargo traffic. India's merchandise exports in FY22 were at US\$ 417.8 billion, up 40% from the previous year. In Financial Year 2023 (Until September 2022), India's merchandise exports reached US\$ 231.88 billion.

The Government has taken several measures to improve operational efficiency through mechanization, deepening the draft and speedy evacuations.

Investments

- India has plans to invest US\$ 82 billion in port projects by 2035.
- Indian ports received cumulative FDI inflow worth US\$ 1.63 billion between April 2000 and June 2021.

- In October 2021, the Syama Prasad Mookerjee Port, Kolkata, gave importers the opportunity to bring in vessels at the deep drafted anchorages located at Sagar, Sandheads and X Point.
- In October 2021, Adani Group announced that it wants to make Adani Port a net-zero carbon emitter by 2025 and power all its data centres with renewable energy by 2030.
- Jawaharlal Nehru Port Trust (JNPT) Special Economic Zone (SEZ) became the first of its kind operational port-based multi-product SEZ in India.
- The Competition Commission of India (CCI) approved Adani Ports and Special Economic Zone's proposed acquisition of 10.40% equity investment in Gangavaram Port in September 2021. The 10.4% equity shareholding will be bought from the government of Andhra Pradesh.
- APSEZ (Adani Ports and Special Economic Zone) plans to become the world's largest private port company by 2030 and carbon neutral by 2025.

Government Initiatives

Some of the major initiatives taken by the government to promote the ports sector in India are as follows:

- In Union Budget 2023-24, the total allocation for the Ministry of Shipping was US\$ 1,813.16 million (Rs. 2,218.74 crore).
- In October 2022, Cabinet Committee on Economic Affairs approved the development of a container terminal at Tuna-Tekra, Deendayal Port, the terminal will be built on a Build, Operate & Transfer (BOT) basis under Public-Private-Partnership (PPP) mode.
- In August 2022, Minister of Road Transport and Highways Mr. Nitin Gadkari, Minister of Ports, Shipping & Waterways and Ayush, Mr. Sarbananda Sonowal, and Minister of State for Road Transport & Highways, Gen (Retd) VK Singh signed a tripartite agreement for swift development of modern Multi Modal Logistics Parks (MMLP) under Bharatmala Pariyojna across the country.
- In December 2021, India and Russia are talking about collaborating on shipbuilding and inland waterways.
- In November 2021, the Union Minister for Ports, Shipping and Waterways & Ayush, Mr. Sarbananda Sonowal, inaugurated the new Radars and Vessel Traffic Management System of Cochin Port Trust. The VTMS (Vessel Traffic Management System) commissioned in Cochin Port in 2009 has been upgraded with a state-of-the-art system consisting two new radars, one AIS Base station, three VHF Radios and associated software & hardware.
- In November 2021, Union Minister for Ports, Shipping & Waterways and Ayush, Mr. Sarbananda Sonowal, inaugurated the simultaneous launching of five vessels at Cochin

Shipyard Limited (CSL).

- In November 2021, the Union Minister of Culture and Tourism, Mr. G Kishan Reddy, announced that the centre has sanctioned Rs. 100 crores (US\$ 13.31 million) for the Visakhapatnam port cruise terminal.
- The Draft Indian Ports Bill 2021, which was circulated in July 2021, aims to centralise the administration of minor ports that are currently managed by state governments.
- The Inland Vessels Bill 2021 was approved by the Lok Sabha in July 2021. Instead of distinct regulations created by the states, the bill attempts to include a single legislation for the country. The registration certificate issued under the new law will be valid throughout the country and state approvals will not be necessary. The bill also establishes a single database for recording vessel and crew information on an Internet portal.
- In July 2021, the Marine Aids to Navigation Bill 2021 was passed by the Parliament, incorporating global best practices, technological developments and India's international obligations in this field.
- In June 2021, the Gujarat government provided approval to build a new jetty worth an estimated ~Rs. 192 crores (US\$ 25.77 million) at Navlakhi port which has been in operation since 1939.
- In June 2021, the Ministry of Ports, Shipping and Waterways and Ministry of Culture sign an MoU for cooperation in development of National Maritime Heritage Complex at Lothal, Gujarat
- In June 2021, the Ministry of Ports, Shipping and Waterways and Ministry of Civil Aviation signed a memorandum of understanding (MoU) to develop sea plane services in India.
- On May 10, 2021, JNPT and New Mangalore Port handled 120 tonnes of medical oxygen on a priority basis owing to the COVID-19 pandemic.
- India is expected to begin full operations in Iran's Chabahar Port by the end of May 2021. India is building two terminals at the port and will operate them for 10 years.

Road Ahead

Increasing investment and cargo traffic point towards a healthy outlook for the Indian ports sector. Providers of services such as operation and maintenance (O&M), pilotage and harbouring and marine assets such as barges and dredgers are benefiting from these investments.

The capacity addition at ports is expected to grow at a CAGR of 5-6% till 2022, thereby adding 275-325 MT of capacity.

Domestic waterways have found to be a cost-effective and environmentally sustainable mode

of freight transportation. The government aims to operationalize 23 waterways by 2030.

As part of the Sagarmala project, more than 574 projects worth Rs. 6 lakh crores (US\$ 82 billion) have been planned for implementation between 2015 and 2035.

In Maritime India Summit 2021, the Ministry of Ports, Shipping and Waterways identified a total of 400 projects worth Rs. 2.25 lakh crore (US\$ 31 billion) investment potential.

India's cargo traffic handled by ports is expected to reach 1,695 million metric tonnes by 2021-22 according to a report by the National Transport Development Policy Committee.

Overview

Timescan Logistics (India) Limited, is an ISO 9001:2015 (Quality Management Services) certified company and catered into the business of Logistics involving land, air and sea transportation as Multimodal Transport Operator and Third-Party Logistics Provider. We provide complete range of services like Freight Forwarding (Sea & Air freight), Custom Clearance, Warehousing, Multimodal Transportation, Project cargo, Third Party Logistics, Packaging, loading/ unloading and unpacking of items to facilitate our customers with end-to-end solutions and other related value-added services. This asset-light business model allows for the scalability of services as well as the flexibility to develop and offer customized logistic solutions across diverse sectors. We have set an ambitious goal to become India's largest integrated transport utility company.

Industry Structure and Developments

The recent logistics industry in India comprised of inbound and outbound sectors of the production and services supply chains. Lately, the logistics infrastructure has achieved the much-needed attention from business companies as well as policymakers. The way the logistics marketplace behaves these days has changed a lot. With the implementation of advanced technology and refined processes, the planning, implementation, and control of the goods movement have become faster and efficient. The Modern processes and activities offer support in various supply chain processes. The innovative logistics activities boost knowledge, improvements and new strategies to attain profitability for the businesses that offer transport services in various parts of the country.

The India logistics industry is growing, due to a flourishing e-commerce market and technological advancement. The logistics sector in India is predicted to account for 14.4% of the GDP. The

industry has progressed from a transportation and storage-focused activity to a specialized function that now encompasses end-to-end product planning and management, value-added services for last-mile delivery, predictive planning, and analytics, among other things. One of the key drivers of this expansion is projected to be the rise of India's logistics industry, which employs 22 million people and serves as the backbone for various businesses. The logistics sector in India was valued at US\$ 250 billion in 2021, with the market predicted to increase to an astounding US\$ 380 billion by 2025, at a healthy 10%-12% year-on-year growth rate. Moreover, the government is planning to reduce the logistics and supply chain cost in India from 13-14% to 10% of the GDP as per industry standards.

The industry is crucial for the efficient movement of products and services across the nation and in the global markets. The logistics business is highly fragmented and has over 1,000 active participants, including major local players, worldwide industry leaders, the express division of the government postal service, and rising start-ups that focus on e-commerce delivery. The industry includes transportation, warehousing, and value-added services like packaging, labelling, and inventory management. With the advent of technology-driven solutions such as transportation management systems (TMS) and warehouse management systems, India's logistics industry has witnessed tremendous development in recent years (WMS). These solutions have assisted logistics firms in increasing operational efficiency, lowering costs, and improving customer service.

Logistics management is a subject of research that has been grabbing the attention of educators, professionals and practitioners over the past two decades. Efficient logistics management and online transport service can lead to reduced operational costs, better delivery performance and enhanced customer satisfaction levels, henceforth, making an organization more competitive in terms of quality, cost, flexibility and delivery.

With rising consumer demand and the subsequent growth in global business, the role of infrastructure support concerning to roads, rails, ports and warehouses has become crucial for the success of the Indian economy. The bottom-up approach of many logistics companies in Chennai has introduced a culture of innovation in the industry and has produced over a hundred ideas so far, many of which have been executed or are in development. These ideas incorporate an automated purchase-order system, GPS technology, a box-on-demand system, warehouse management system, drone technology and many others.

Due to globalization and digitization, the demand for logistics has increased more. Numerous multi-national companies are sourcing, manufacturing and supplying on an international level,

making their supply chains very intricate to manage. However, outsourcing their logistics and transport operations to professional logistics service providers has assisted the businesses to get tailored logistical support while enabling them to focus on their core organizational activities.

At present, many large multi-national providers that deliver complete supply chain solutions across multiple countries in terms of their political and socio-economic environments. In addition to main logistical activities such as transportation, warehousing, and supply chain, these service providers also offer value-added services such as freight forwarding, customs clearance, import/export management, inventory management, packaging and labeling, assembly/installation, distribution, reverse logistics, after-sales support, and so on. By outsourcing logistics, businesses in the logistics industry can leverage the expertise of large multi-national service providers while focusing on their key competencies.

The demand for today and the future is integrated end-to-end Logistics solutions. This would encompass integrated infrastructure / assets platform, integrated services platform and integrated digital platform. There is a wide spectrum of players in the domain ranging from the very small exporters and importers, to medium-sized and large traders to MNCs. Hence, the sector would continue to witness consolidation, process standardization, technological upgradation and digital transformation for more agility and integration not only between modes of transportation but also the users and third-party service providers.

SWOT Analysis

Logistics is one of the supply chain management areas and it focuses on forward and backward flow and movement of goods and products from the production unit to the end consumers. The increase in online shopping and prioritization of medical supplies were just a couple of the reasons that led the global logistics industry to quickly adapt its operations so demand could be met. The challenges that started will most likely leave an everlasting footprint for many years to come. However, said challenges are also bringing many opportunities for the near future.

The success of a modern-day business enterprise depends on its ability to adapt to the new trends that are ruling industries, shaping and influencing their future. And the industry of logistics is no different.

Like other sectors, Indian logistics too has transformed drastically. In this, the pandemic played a major role by disrupting industries with burdensome restrictions on movement of goods and services. The effectiveness of the supply chain was thoroughly put to test. Logistics created ways to manage this situation.

Segment-Wise or Product-Wise Performance

The Company is mainly engaged into logistics and related allied services. Therefore, there are no separate reportable segments

Outlook

The transport and logistics sector will see growth of 4% in 2023 and 3% in 2024.

While the extremes of the Covid-19 pandemic supply shock have faded, the sector is still witnessing the ripple effects of normalization in consumer behavior and prolonged capacity issues. At the same time, the economy is slowing and industrial production is slumping.

The supply shock from the pandemic and the impact of the war in Ukraine have also left their mark on various parts of the transport and logistics sector. Either long because of excess capacity after a historic boom (in container shipping) or short because of lagging deliveries of aircraft and capacity-absorbing rerouting because of sanctions (in shipping).

The logistics industry isn't going anywhere. As long as there are businesses creating products for consumption, there will be a need to move those products. Not only that, but with the predicted growth of the global economies, it's likely that this market will expand along with that growth.

Risks and Concerns

The Company's ability to foresee and manage business risks is crucial in achieving favorable results. The Company operates in an environment that is affected by various risks, some of which are identifiable and controllable. Some others are unexpected and cannot be controlled. Under these conditions, proper identification and management of risks is very important in determining the ability of the organization to sustain value creation for its stakeholders. The impact of the key risks, which are potentially significant are listed below have been identified through a formal process by the management. Your Company recognizes that every business has its inherent risks and the Company has been taking a proactive approach to identify and mitigate them on a continuous basis. The logistics industry faces numerous risks that can impact our business in various ways:

- **Continued Economic Growth:** Demand for our warehousing and transportation services is dependent on economic growth and/or infrastructure development. Any slowdown in economic growth affects our growth.
- **Economic Risk:** Now risk is very familiar word for all of us after experiencing demonetization, pandemic, lockdown and Russia Ukraine crisis which had affected the whole logistics sector. The world has suffered huge losses and many other issues so as the whole logistics sector. So far as economic risk is concerned, it is essential to consider what we have

faced in recent years. On any of the above-mentioned or any similar events, Carriers or shipping lines or other vendors can be expected to charge higher prices to cover higher operating expenses.

- **Our Client Base:** The Company depends on its limited clients for a majority of its revenues. This exposes the company to a risk of client concentration. The Company continues to take steps to create a larger client base, while continuing to benefit from the already strong long-term association it shares with its current customers.
- **Risks from Competition:** In a post-pandemic world, digitalization and the effective use of technology to remain future-ready, continue to remain key parameter differentiating resilient organizations from the rest. Adopting future ready technology solutions has enabled your company to remain ahead of the curve in a highly competitive industry. However, as the trend accelerates, it also raises the bar for innovation with numerous players solely leveraging the digital platform to reduce operating costs and increase profit margins.

Moreover, peaked interest from global players and heavily funded third-party logistics players who can work with competitive pricing, impacted revenues with added pressure on margins. E-commerce continues to gain prominence and express logistics gains with it however, the ability for E-commerce players to increase the share of their captive arms thus reducing the addressable market, further impacts traditional companies.

- **Ability to pass on increasing cost:** Ability to pass on increasing cost in a timely manner depends upon the demand-supply situation and competitive activities and there has been a general reluctance as seen in the past, to make significant price hikes.
- **Cyber Risk:** Supply chains are part of a complex global system where data and information are shared through cyberspace. The interconnection of the logistics industry may be an attractive target for cyber-attacks. The more links in a supply chain, the more vulnerable it becomes, which augments the importance of secure handling and storage of data. The effects of cyber-attacks on the supply chain can be detrimental to all parties involved. With companies focusing on digitalization, cyber risk is here to stay and risk associated with the cyber-attack can't be ignored.
- **Planning risks:** Errors in the forecast of consumption, supply plans, late reporting of serious changes in demand to those responsible, problems of cross-functional coordination, long

supply cycles that prevent timely adjustment of purchase plans.

- **Transportation Risk:** Delay of Material Resources and Finished Goods During Transportation (Transit).
- **Storage Risks:** Expiration of shelf life of stored material resources, detection of damage, loss of material resources in warehouses, absence of material resources in fact (if present in reporting documents) at the moment of demand initiation (request from internal consumer).
- **Supplier interaction Risks:** lack or lack of material resources at the supplier, violation of shipment dates, delivery of poor quality, incomplete or inappropriate in product characteristics.

Internal Control Systems and Their Adequacy

The Company has robust internal controls systems (including Internal Financial Controls) that facilitates efficiency, reliability and completeness of accounting records and timely preparation of reliable financial and management information. The internal control system ensures compliance with all applicable laws and regulations facilitates optimum utilization of resources and protect the Company’s assets and investors’ interests. The Company’s well-defined organizational structure and internal controls ensure efficiency of operations, compliance with internal policies and applicable laws and regulations as well as protection of resources.

The Audit Committee, composed of Independent and Non-Executive Directors, regularly reviews significant audit findings, adequacy of internal controls, audit plans, reasons for changes in accounting policies and practices, if any, and monitors the implementation of audit recommendations. Internal auditors ensure that preventive and detective controls are embedded in all the business processes. Significant audit observations and follow-up actions thereon are reported to the Audit Committee.

Significant Changes in Key Financial Ratios

Debtor’s Turnover Ratio

Current Ratio

Operating Profit Margin

Net Profit Margin

Particulars	Ratio as on 31st March, 2023	Ratio as on 31st March, 2022	Change in percentage of ratio as compared to previous year

Operating Profit Margin	7.29	6.83	6.64% (Increase)
Net Profit Margin	1.83	1.73	6.14% (Increase)

Notes:

1. Debtors turnover is a measure of a company’s effectiveness in collecting receivables from its customers. The receivables turnover ratio improved during the Financial Year 22-23 due to further improvement in billing and collection processes.
2. There are no significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in the other key financial ratios.
3. The Company is service-based industry. So, Inventory Turnover Ratio is not applicable to the Company.

Developments in Human Resources

At Timescan, our relentless focus is on attracting, retaining and nurturing the best of talents to lead the organization towards achieving its strategic goals. We ensure a work culture free of discrimination and bias and provide equal opportunity to all. Timescan considers its people and culture as a competitive advantage, offering a superior proposition to customers and career opportunities to its employees. The company aims to enhance its businesses and expand into new areas while providing a conducive work environment.

In the past, training was the only planned way of developing human resources. But now Human Resource Management has emerged as an interdisciplinary and integrated approach to the development of human resources.

In the organizational context, human resource development may be described as a continuous

and planned process by which employees of an organization are helped to:

- (a) Acquire or sharpen capabilities required to perform various functions associated with their present or expected future roles.
- (b) Develop their general capabilities as individuals and discover and exploit their own inner potential for their own and/or organizational development purpose.
- (c) Develop an organizational culture in which superior-subordinate relationships, teamwork and collaboration among sub-units are strong and contribute to the professional well-being, motivation and pride of employees.

Human Resource Development for Timescan in brief is transformation of potential human resources into kinetic human resources for optimization of the potential capacity of employees.

Human rather than capital is the key to development. Human Resource Development is needed by any organization that wants to grow continuously. No organization can grow and survive in the present-day environment without the growth and development of its people.

The scope of Human Resource Development is not limited to the development of the organizational role of the employees but extends to the individual’s inner feelings, genius and latent potentialities of those working in the organization. Individuals in an organization have unlimited potential for growth and development and this can be multiplied and channelized through systematic efforts. The company views human resources as the total knowledge, skills, creativity, abilities, talents and aptitudes of an organization’s workforce as well as the values, attitudes and beliefs of the individual involved.

The highest standards of safety and precautionary measures were established and Work From Home policy was deployed wherever possible. In order to uphold the values of ethical conduct and compliance, the Company ensured all employees followed detailed and structured training and awareness to familiarize themselves with the standards and expectations on ethics. The Timescan family consists of 49 employees including 5 Key Managerial Personnel.

INDEPENDENT AUDITOR'S REPORT

Independent Auditor's Report

To the Members of M/s. Timescan Logistics (India) Limited Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **M/s. Timescan Logistics (India) Limited ("the Company")**, which comprise the balance sheet as at **31st March 2023**, and the statement of Profit and Loss, the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India specified under Section 133 of the Act, of the state of affairs of the Company as at 31st March 2023, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the examination of books of account and explanation provided to us, we are of the opinion that there are no materially significant key audit matters that requires disclosure in this report.

Information Other than the Financials Statements and Auditor's Report thereon (Other Information)

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Responsibility Report including Annexure to Board's Report, Corporate Governance and Shareholders Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other Information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to

continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards of Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as frauds may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143 (3) (i) of The Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going

concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

c. The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

d. In our opinion, the aforesaid financial statements comply with the Accounting standards specified under Section 133 of the Act.

e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(6) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h. With respect to the **other matters** to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of **M/S. TIMESCAN LOGISTICS (INDIA) LIMITED** of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of **M/S. TIMESCAN LOGISTICS (INDIA) LIMITED** ("the Company") as of **March 31, 2023** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting (IFCoFR) criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made on[y in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the ICAI.

1 Corporate Information

Timescan Logistics (India) Limited ("the Company") was originally incorporated in the name of Timescan Logistics Private Limited under the provision of Companies Act, 1956 with Registrar of Companies, Tamil Nadu. Subsequently, the Company was converted into a Limited Company with effect from July 2, 2021 and a certificate was issued by Registrar of Companies, Tamil Nadu accordingly. The Company is engaged in the business of providing customs, clearance in surface, sea and air logistics services viz. goods transport service along with warehousing facilities at various locations in India.

1.1 Basis for Preparation of Financial Statements

The Financial Statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2015 and the relevant provisions of the Companies Act, 2013 ("the Act") as applicable. Financial Statement have been prepared on an accrual basis under the Historical cost convention.

The Accounting policies adopted in preparation of Financial Statement are consistent with those followed in previous year. All the assets & liabilities have been classified as current or non-current as per Company's normal operating cycle and other criteria set out in Schedule III to the Act. The Financial statements are prepared on going concern basis, as the management is satisfied that the Company shall be able to continue its business for foreseeable future and no material uncertainty exist that may cast significant doubt on the going concern assumption. In making these assessments, the management has considered a wide range of information relating to present and future condition, including future projections of profitability, cash flow and capital resources.

2 Significant Accounting Policies

2.1 Use of estimates

The Preparation of financial statements in conformity with Indian GAAP requires management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of reporting period. Although, these estimates are based upon

managements best knowledge of current event and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to carrying amount of assets or liabilities in future period.

2.2 Plant Property & Equipments

a) Property, Plant & Equipment are stated in the Balance Sheet at Cost. Cost Comprises the Purchase price and attributable cost of bringing the asset to its present working condition for its intended use. GST and other applicable taxes paid on acquisition of property, plant & Equipment are capitalised to the extent not available / utilisable as input tax credit under GST or other relevant law in force. Expenditure incurred on renovation and modernisation of Property, Plant & Equipment on completion of originally estimated useful life resulting in increased life and/or efficiency of an existing asset, is added to cost of asset. The cost of replacing the part is recognised when cost is incurred if the recognition are met. The carrying value of those parts that are replaced are de-recognised in accordance with de-recognition principle.

Depreciation on Tangible assets has been provided on the Straight line method at estimated useful life prescribed in Schedule II to the Companies Act, 2013.

Type of assets	Useful lives
Furniture & Fittings	10 years
Electrical Fittings	3-15 years
Office Equipments	3-15 years
P&M	3 years
Vehicles	3-10 years

Depreciation is not recorded on capital work in progress until the construction and installation are completed and the asset is ready for its intended use.

2.3 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as Non current investments. Current investments are carried at lower of cost or market value whichever is lower. Long-term Investments are carried at cost. However, the provision for diminution in value is made to recognize a decline other than temporary in the value of investment. Cost of investment includes acquisition charges such as brokerage, fees and duties. Provisions are made to recognise any reduction in the carrying value of Non current investment and any reversal of such is credited to statement of Profit and Loss.

2.4 Revenue Recognition

Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer ,where it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, the associated costs and possible return of goods can be estimated reliably, regardless of when the payment is being made.

a) Freight Charges

Revenue from transport of goods are recognized at the time when services are performed and there exists reasonable certainty of ultimate collection of service consideration. Sales are exclusive of taxes and duties wherever applicable, and net of claims and discount.

b) Dividend

Dividend is recognized when the shareholder's right to receive payment is established by the balance sheet date.

c) Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

d) Sale of Fixed Assets

For movable fixed assets: Revenue is recognized upon delivery of movable fixed assets, which is when title passess to the Purchaser.

For non movable fixed assets: Revenue is recognized upon registration and handing over possession, which is when title passess to the Purchaser.

2.5 Borrowing Cost

Borrowing costs are directly attributable to the acquisition, construction or production of an asset that necessarily takes as a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of asset. All other borrowing cost are expensed in period in which they occur.

2.6. Income Tax

a) Current tax

Provision for current tax are made in terms of provisions of the Income Tax Act, 1961 after taking into considerations, if any the deductions and exemptions provided therein.

b) Deferred Tax

Deferred tax on account of timing difference between taxable and accounting income is provided considering the tax rates and tax laws enacted or substantively enacted by Balance sheet date, the deferred tax asset / liabilities are recognized and carried forward only to the extent that there is a reasonable certainty that the assets/ liability will be realized in future. Deferred tax assets/ liability are reviewed at each Balance Sheet date and written down or written up to reflect the amount that is reasonably / virtually certain, as the case may be, to be realized.

2.7. Foreign exchange transaction

Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate at the date of the transaction. The difference on account of fluctuation in the rate of exchange prevailing on the date of transaction and the date of realization is charged to the statement of profit & loss. Differences on translation of current asset and current liabilities remaining unsettled at the year end are recognized in the statement of profit & loss.

2.8. Employee benefits

Employee benefits include provident fund, employees state insurance scheme, gratuity and compensated absences.

Defined contribution plans:

Contributions in respect of Employees Provident Fund and Pension Fund which are

defined contribution schemes, are made to a fund administered and managed by the Government of India and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Company's contribution to Provident Fund and other Funds for the year is accounted on accrual basis and charged to the Statement of Profit & loss for the year.

Defined Benefit plans:

The eligible employees of the Company are entitled to receive post-employment benefits in respect of gratuity in accordance with Payment of Gratuity Act, 1972. The Company has made provision for the same in the financial statements for the year ended on 31st March 2023 on the basis of actuarial valuation made by an independent actuary as at the balance sheet date based on projected unit credit method.

2.9. Leases

A lease is defined as 'a contract, or part of a contract, that conveys the right to use of an asset (the underlying asset) for a period of time in exchange for consideration'. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc. The accounting of lease is dependent upon the type of lease contract entered by the company, i.e., operating lease or financing lease. The effect of relevant elements are recognized considering the relevant accounting standard, i.e. AS 19: Leases.

2.10. Inventories

The Company does not have any inventories.

2.11. Impairments

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of such asset. If such recoverable amount of the asset or recoverable amount of cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as impairment loss and is recognized in the Statement of Profit and Loss.

2.12. Provisions, Contingent liabilities & Contingent assets

a) Provision

A provision is recognized when the Company has a present obligation as a result of past events, and it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

b) Contingent Liabilities

A Contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefits are remote.

c) Contingent Assets

Contingent asset is neither recognized nor disclosed in the financial statements.

2.13. Earnings per share

Basic earning per share is calculated by dividing the net profit or loss for the period/year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all diluted potential equity shares.

2.14. Cash & Cash equivalence

Cash & cash equivalents in the cashflow statement comprises of cash at bank and cash in hand, demand deposits with bank, short-term highly liquid investment with original maturity of three months or less that are readily convertible into known amount of cash & which are subject to insignificant risk of change in value.

2.15. Share issue expense

The Share issue expenses upon recognition shall be adjusted against the balance in the security premium account as permitted under section 52 of Companies Act, 2013. The Company had issued Initial public Offer vide ISIN CODE: INE0IJY01014 of 9,44,000 shares on SME platform of National stock exchange of India. The IPO offering has closed on 10.01.2022 and allotment has been made on 11.01.2022. Payments made in respect of IPO have been recognized as deferred expenditure in the financial statements, as per income tax Act 1961.

2.16. Cashflow

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities of the Company are segregated, accordingly.

2.17. Segment Reporting

Based on the principles for determination of segments given in Accounting Standard 17 "Segment Reporting" issued by accounting standard notified by Companies (Accounting Standard) Rules, 2006. The Company has identified its business segment as "Goods Transportation Services". There are no other primary reportable segments. The activities of the company are restricted to only one geographical segment i.e. India, hence the secondary segment disclosures are also not applicable.

The Explanatory statement, pursuant to Section 102(1) of the Companies Act, 2013 in respect of the business above is annexed hereto.
14. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and "Secretarial Standard – 2" on General Meetings issued by the Institute of Company Secretaries of India, of the Director seeking re-appointment, are annexed hereto to this Notice.
15. The submission of Permanent Account Number ("PAN") and bank account details of all securities holders holding securities in physical form to the Company/Cameo Corporate Services Limited (Registrar and Share Transfer Agent). Members holding shares in electronic form are also requested to submit/update their PAN and bank account details to their Depository Participants with whom they are maintaining their Demat accounts.
16. As per the provisions of Section 72 of the Companies Act, 2013 and Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014, facility for making nominations is available to individuals holding shares in the Company. Members holding shares in physical form desiring to avail this facility may send their nomination in the prescribed Form No. SH-13 duly filed to Cameo Corporate Services Limited. Members holding shares in electronic form may contact their respective Depository Participant(s) for availing this facility.
17. Non-Resident Indian Members are requested to inform Cameo Corporate Services Limited immediately of:
 - a. Change in their residential status on return to India for permanent settlement.
 - b. Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with PIN code number, if not furnished earlier.

18. Subject to the provisions of Section 123 of the Companies Act, 2013, Dividend as recommended by the Board of Directors, if declared, at the AGM, will be disbursed to those members whose name appear in the Register of Members (in respect of shares held in physical form) or in the records of Depositories as Beneficial Owners of Shares (in respect of shares in dematerialized form) as on September 19, 2023 (Record date).

19. Dividend will be paid electronically through various online transfer modes to those members who have updated their bank accounts. For members who are yet to update their bank account details, dividend warrants/demand drafts will be sent to their registered addresses through post.

20. Members wishing to claim dividends that remain unclaimed are requested to correspond with the Cameo Corporate Services Limited (RTA), or with the Company Secretary, at the Company's registered office or email at cs@timescan.in.

21. In terms of provisions of Sections 124 and 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, read with relevant circulars and amendments thereto ('IEPF Rules'), the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to the 'Unpaid Dividend Account' of the Company shall be transferred to the Investor Education and Protection Fund (IEPF) set up by the Government of India.

However, there was no such amount required to be transferred into Investor Education and Protection Fund (IEPF), during the year 2022-23.

22. The Securities and Exchange Board of India ("SEBI") and Reserve Bank of India ("RBI") have advised all listed companies to mandatorily use the National Electronic Clearing Services (NECS) facility wherever possible for dividend payment to the Shareholders. Members holding shares in electronic form may note that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars and Share Transfer Agents, Cameo Corporate Services Limited, cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members. For the shares held in physical form, the Bank particulars may be sent to Cameo Corporate Services Limited, the Registrar and Share Transfer Agent of the Company. For electronic shares, the Members are requested to direct change in relevant information to the concerned Depository Participant with whom the demat account is operational. In the absence of electronic credit facility, the bank account details, if available, will be printed on the Dividend Warrants/ Demand Drafts. Members holding shares in dematerialized form must give instructions, regarding bank

accounts in which they wish to receive dividend, to their respective Depository Participant.

23. Members may note that the Income-tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 1, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of final dividend. In order to determine the appropriate TDS rate as applicable, members are requested to submit relevant documents, in accordance with the provisions of the IT Act with the Registrar and Share Transfer Agent as specified in the below paragraphs.

For resident shareholders (Individuals), taxes shall be deducted at source under Section 194 of the IT Act as follows:

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents.

Submission of Declarations and other Documents:

Kindly note that no communication/documents on the tax determination / deduction shall be considered post 11:59 PM (IST) of Tuesday, September 19, 2023.

It may be further noted that in case the tax on said Final Dividend is deducted at a higher rate in the absence of receipt of the aforementioned details/documents from you or on application of provisions of Section 206AB or on account of PAN being treated as inoperative as the PAN is not linked with Aadhaar (in case of individuals), there would still be an option available with you to file the return of income and claim an appropriate refund, if eligible

No claim shall lie against the Company for such taxes deducted:

In the event of any income tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided / to be provided by the Shareholder(s), such Shareholder(s) will be responsible to indemnify the Company and also, provide the Company with all information / documents and co-operation in any appellate proceedings.

The Instructions for Shareholders for E-voting and Joining Virtual Meeting as Under:

1. The voting period begins from 9.00 A.M. (IST) September 23, 2023 and ends on 5.00 P.M. (IST) September 25, 2023. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date September 19, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
2. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
3. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

4. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Explanatory Statement

As required by Section 102 of the Act, the following explanatory statement sets out all material facts relating to the special businesses mentioned under resolutions Nos. 5 and 6 of the accompanying Notice.

Special Business

Item No. 5 Increase in Authorized Share Capital of the Company and

Item No. 6 Alteration in the Capital Clause of Memorandum of Association

Over the years, the volume of business has been increasing constantly and the company intends to expand the capital base, it is now proposed to increase the authorized share capital.

The Board of Directors of the Company at its meeting held on Monday, August 28, 2023 decided to increase the Authorized Share Capital of the Company from the existing limit of Rs. 4,00,00,000/- (Rupees Four Crores Only) divided into 40,00,000 (Forty Lakhs Only) number of equity shares of Rs. 10/- each to Rs. 10,00,00,000/- (Rupees Ten Crores Only) divided into 1,00,00,000 (One Crore Only) number of equity shares of Rs.10/- each.

The Resolutions contained in Item Nos. 5 & 6 seek to increase the Authorised Share Capital of the Company as aforesaid and to alter the Memorandum of Association of the Company, respectively, consequential to such increase in the Authorised Share Capital of the Company as proposed.

Pursuant to Section 13 and 61 of the Companies Act, 2013, alteration of the Capital Clause requires approval of the members of the Company by way of passing a resolution to the effect. Accordingly, consent of the members is sought for an Ordinary Resolution as set out in item no. 5 for increase in authorized Share Capital of the Company and as a Special Resolution as set out in item no. 6 for amendment in Clause V of the Memorandum of Association of the Company.

None of the Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution except to the extent of their shareholding in the Company. Your Board recommends the resolution for approval of the members.
